

2026 Classroom/Specialist Teacher

A contract position is available for a Maternity Leave position in our Middle Classroom for the first three terms of 2026 (with the possibility of extension through to the end of the year). This contract position is 0.8 FTE.

Applications are invited from suitably qualified teachers for a Classroom Teaching position in our Middle Learning Hub. This is a wonderful opportunity to make a real impact in a small, supportive setting; teaching a combined Year 2–4 class four mornings each week, and leading an engaging specialist program (such as STEM or The Arts) two afternoons per week.

Graduate teachers are very welcome to apply; a secondment from another school could be negotiated for an experienced teacher.

The successful applicant will have a demonstrated commitment to Catholic education and to the safety and wellbeing of children and will be employed under the Victorian Catholic Education Multi Enterprise Agreement 2022.

The successful applicant will possess the skills and abilities necessary to provide students with a rich and rewarding educational experience and will embrace a collegial, team-based approach to teaching and learning.

The successful candidate will demonstrate enthusiasm and ability to deliver the appropriate curriculum to a range of educational abilities, and be able to provide care and support for students whilst supporting and respecting the ethos of the school and its environment. The successful applicant will hold current Victorian Institute of Teaching Registration.

Our school community promotes the safety, wellbeing and inclusion of all children.
